

For Families with kids ages 4 and under

Fantastic You

God saw all that he had made and it was very good. Genesis 1:31

Have you ever felt like nobody likes you? We all have days when we feel ignored or picked on or left out. But do you know who thinks you're amazing every single minute of every single day? God does! After God finished making everything in the world, he looked it over and liked what he saw. The next time you feel like nobody likes you, remember that God thinks you are fantastic!

Have your child repeat after you:

When God looks at me,  
He likes what he sees!

Say it again and end with huge hugs!  
Let your child know how much you love them too and think that they are fantastic to you!
